WOMEN'S HEALTH INITIATIVE

Form 38 - Daily Life

This booklet contains questions about the experiences of your daily life. Please answer each question as honestly as you can. Make sure you look at both sides of the page. No one will see your answers except for the scientists and staff at your clinic. Your answers will be kept secret and will never be put with your name in a report. Please answer using your first thoughts about each question. Do not go back later to "figure out" answers. Your answers will help us to understand the health of women like you. Thank you for your help.
