Public reporting for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the information needed and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it is displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0414). Do not return the completed form to this address.

In Form 33 - Medical History Update, you said you had some medical problems that are important for us to know about in more detail.

The questions on this form ask about hospital admissions, medical problems, and medical tests that you have had since:

Do <u>not</u> report hospital admissions, medical problems, or tests that happened before this date. However, if you are not sure of the date and don't think that you have reported the problem to us before, please do answer the questions about that problem.

1.	First, please tell us who is completing this form:		
	Women's Health Initiative (WHI) participant (self)		
	Family or friend of WHI participant	I	Please answer the
	Health care provider for WHI participant	\longmapsto	following questions about the WHI
	Other (Specify):		participant.
